#### **PAYMENT SCHEDULE**

Company will make its best efforts to pay writer within 48 hours of delivery but in no event more than seven (7) days after delivery.

Payment shall not be contingent upon the acceptance or approval by the Company of the literary material so delivered.

#### **TELEVISION LONG-FORM REVISIONS**

In certain instances on long-form television movies, the network (or other licensee) has agreed to reimburse the Company for a "producer's draft," even when such draft is not delivered to the network (or other licensee). Please call the Contracts Department for further information.

#### **TEAMS**

The minimums are generally payable to each writer. However, a bona fide team of 2 writers who agree, prior to employment, to be a team, may split not less than minimum.

In addition, a Company may employ a team of 3 writers for no less than 200% of minimum initial compensation (150% in the case of a television team of 3 production executives). No individual writer may receive less than 1/3 of the above increased minimums. Pension and Health ceilings and the Upset Price increase accordingly.

Note: There are no teams under aggregate formulas in Appendix A.

#### MADE-FOR PAY TELEVISION OR VIDEOCASSETTE/VIDEODISC

The minimum initial compensation for a writer shall be the same as the applicable minimum initial compensation for a "free" television program. Where the program is of a type generally produced for network prime time, the network prime time rates are to be utilized.

#### **MADE-FOR BASIC CABLE**

For high budget dramatic programs, the provisions of the MBA apply. For all other types of programs, the Company must either use the terms of the MBA to employ writers or notify the Guild not later than 30 days prior to production so that negotiations may commence regarding the production.

#### VIDEOGAME OR INTERACTIVE PROGRAMMING

The Guild currently offers a simple modified contract for writing services performed on videogames or interactive programs.

Writing eligible for use under this agreement must be for non-linear programs that allow individual viewer/user(s) to control the real time output of program elements via an interactive device and where the material is viewed does not have a predetermined beginning and end (although it may have an opening "default" menu which is predetermined).

Contact the Contracts Department at WGAW or the Signatories Department at WGAE for information on applicable provisions.

#### **INFORMATIONAL PROGRAMMING**

For informational programming the Guild offers a special contract. Contact the Signatories Department for details.

#### **ANIMATION**

The Guild negotiates terms and conditions for animated projects. Contact the Contracts Department at WGAW or WGAE for details.
