# FOR YOUR CONSIDERATION BLACK MASS

Dear Industry Colleague,

For your consideration, **Warner Bros. Pictures** has arranged screenings in several cities for you and a guest.

Exposing the biggest scandal in FBI history, *Black Mass*, directed by Scott Cooper, tells of the unholy alliance between ruthless mobster James "Whitey" Bulger (Johnny Depp) and childhood friend-turned-FBI agent, John Connolly (Joel Edgerton). The bond, forged growing up on the streets of South Boston, would test the limits of loyalty in a town that answers to its own, unwritten code. Blinded by ambition, Connolly convinces Bulger to inform on their common enemy, the Italian Mafia. The deal allows Bulger to expand his criminal empire with complete impunity, threatening to destroy both men, their families, and the very city that made them. Based on true events, the film features an ensemble cast, also including Benedict Cumberbatch, Rory Cochrane, Jesse Plemons, Dakota Johnson, Julianne Nicholson, Kevin Bacon, Corey Stoll and Peter Sarsgaard.
