Payment shall not be contingent upon the acceptance or approval by the Company of the literary material so delivered.

TELEVISION LONG-FORM REVISIONS

In certain instances, on long-form television movies, the network (or other licensee) has agreed to reimburse the Company for a "producer's draft," even when such draft is not delivered to the network (or other licensee). Call the Guild Contracts Department for further information.

TEAMS

A *bona fide* team of 2 writers who, prior to employment, agrees to be a team, may split not less than a single minimum.

In addition, a Company may employ a team of 3 writers for no less than 200% of minimum initial compensation (150% in the case of a television team of 3 production executives). No individual writer may receive less than 1/3 of the above increased minimums. Pension and Health ceilings and the Upset Price increase accordingly.

Note: There are no teams under aggregate formulas in Appendix A.

MADE-FOR PAY TELEVISION OR VIDEOCASSETTE/VIDEODISC

The minimum initial compensation for a writer shall be the same as the applicable minimum initial compensation for a "free" television program. Where the program is of a type generally produced for network prime time, the network prime time rates are to be utilized.

MADE-FOR BASIC CABLE

For high budget dramatic programs, the provisions of the Basic Agreement apply. For all other types of programs, the Company must either use the terms of the Basic Agreement to employ writers or notify the Guild not later than 30 days prior to production so that negotiations may commence regarding the production.

INFORMATIONAL PROGRAMMING AND VIDEOGAMES

The Guild offers special agreements for information programs and videogames. Contact the Contracts Department at WGAW or the Signatories Department at WGAE for information on how to use the agreement.

ANIMATION

The Guild negotiates terms and conditions for animated projects. Contact the Guild Contracts Department for details.

RADIO COMPENSATION

For minimum terms and conditions of the Radio Agreement, please contact the Contracts Department at WGAE.

+There is a limited waiver based on a ratio of "revenues contracted for" covering syndication reruns of one-hour network (ABC, CBS, FBC, or NBC) prime time dramatic series which were not broadcast in syndication before March 1, 1988. For details, contact the Guild Residuals Department.

For 30-minute series which have not been syndicated before May 2, 2001, and are sold into syndication in markets representing 50% or fewer US television households, the rerun payment for each run will be 20% of applicable minimum. This additional residual stream will not apply against or otherwise affect the above "Other Reruns."

**If the Company licenses a dramatic television motion picture or series for exhibition in broadcast syndication in the US and/or Canada on or after July 1, 2020, Company shall pay a residual of 2% of the Company's "accountable receipts."
